BOARDING SERVICES:

Boarding Fees include feed, grooming and stall maintenance (if applicable). Board is billed in advance. First month's board is due at the time of arrival for all horses.

Mare Breeding Board – Dry (with no foal by side).

- **\$14 per day**

Mare will be boarded in stall, receive daily grooming and will either be turned out or exercised on the hot walker. Boechat Equine, at its sole discretion, will determine if the horse needs another form of boarding for any reason, including, but not limited to, injury, disease, or behavior problems, and the client will be charged accordingly.

Mare Breeding Board – Wet (with foal by side)

- **\$18 per day**

Mare will be boarded in stall, receive daily grooming and will be turned out with her foal. Boechat Equine, at its sole discretion, will determine if the horse needs another form of boarding for any reason, including, but not limited to, injury, disease, or behavior problems, and the client will be charged accordingly. Foal will remain by side of dam until weaned, at which time foal board will be charged accordingly. Foal is required to be halter broke prior to arrival or while at Boechat Equine. Additional fees apply for halter breaking foal.

Mare Pasture Board – Dry (with no foal by side)

- **\$10 per day**

For mares in the breeding program that are boarded in pasture with no foal by their side. Boechat Equine, at its sole discretion, will determine if the horse needs another form of boarding for any reason, including, but not limited to, injury, disease, or behavior problems, and the client will be charged accordingly.

Mare Pasture Board – Wet (with foal by side)

- **\$12 per day**

For mares in the breeding program that are boarded in pasture with foal by side. Foal will remain by side of dam until weaned, at which time foal board will be charged accordingly. Foal is required to be halter broke prior to arrival or while at Boechat Equine. Additional fees apply for halter breaking foal. Boechat Equine, at its sole discretion, will determine if the horse needs another form of boarding for any reason, including, but not limited to, injury, disease, or behavior problems, and the client will be charged accordingly.

Foal/Weanling Board

- **\$14 per day**

Foals who have been weaned and are under the age of 1 year will be moved to a separate stall or paddock.

Recipient Mare Board

- **\$10 per day for pasture**
- **\$14 per day for stall**
- **\$18 per day with foal by side**

For recipient mares who have been checked in foal.

Conditioning Board

- **\$20 per day**

Horses in the Conditioning Board program receive daily grooming, turnout and exercise on the hot walker. Boechat Equine, at its sole discretion, will determine the best form of conditioning for each individual horse. Boechat Equine, at its sole discretion, will determine if the horse needs another form of boarding for any reason, including, but not limited to, injury, disease, or behavior problems, and the client will be charged accordingly.

Training/Show Board

- **\$30 per day**

Placement of a horse in the Training/Show Board program does not obligate Boechat Equine to show the horse. Horses in the Training/Show Board program receive stall board, daily grooming, turnout or exercise on the hot walker, and schooling with trainer. Boechat Equine, at its sole discretion, will determine the best form of conditioning for each individual horse. Boechat Equine, at its sole discretion, will determine if the horse needs another form of boarding for any reason, including, but not limited to, injury, disease, or behavior problems, and the client will be charged accordingly.
